

## Epson Stylus C48

### The perfect introduction to home printing

If you're new to home printing and looking for a printer that's easy to set up and use, then the Epson Stylus C48 is the right printer for you. It offers great value for money for a wide range of print jobs, including photos.

#### High quality printing that's easy and affordable.

The Epson Stylus C48 is the perfect printer for first time users. You get an all-round printer that produces great quality black and white and colour prints quickly at a low cost. Print great photos, colourful birthday cards, leaflets, flyers and any other documents you may need.

#### Epson technology for reliable results

The Epson Stylus C48 uses Epson's unique technology and high resolution of up to 2880dpi to produce vivid colours and sharp details.

#### More affordable ink cartridges

Our ink cartridges ensure superior quality and cost less than you might think, so it's easy to keep printing costs down.

#### Easy-to-use software

Epson Creativity Suite makes all kinds of printing really easy. Edit and print photos simply and quickly with Easy Photo Print. Have fun adding frames and borders to your photos with Print Image Framer, and use Web-to-Print to fit web pages to your paper automatically.

#### Key features

- Low running costs from affordable ink cartridges
- Amazing detail with high resolutions up to 2880dpi
- Easy connection to your computer with the USB interface
- Easy photo editing and printing with Epson Creativity Suite software
- Experiment with the software included to produce creative and eye-catching documents
- Consistently reliable results from Epson's unique printing technology.
