EPSON®
EXCEED YOUR VISION

Epson **PictureMate 100**

Stunning photos at your fingertips

With the Epson PictureMate 100 it's as easy to enjoy real photos as it is to take them. Just insert your memory card, select your photos on the bright colour LCD and press print. It's easy, convenient and affordable.

Real photos – really affordable
Find everything you need to produce 135 glossy photos in the Epson PicturePack. It makes home photo printing hassle-free and more affordable than ever before. It's the clever and affordable solution for printing real photos quickly, easily and without leaving the home.

Real photos from compatible camera phones*
With the Epson PictureMate 100 Mobile Phone Edition* you can now easily share the photos taken with a wide range of compatible camera phones. Print wirelessly from compatible *Bluetooth*® enabled imaging phones, notebook PCs, PDAs and digital cameras and bring even more moments to life.

*optional Epson *Bluetooth*® adapter required – Included as standard with the Epson PictureMate 100 Mobile Phone Edition

Preview, edit and print from the 1.5" colour LCD

Print via *Bluetooth*® from compatible camera phones*

Compatible with most digital cameras

Print direct from all leading memory cards

Epson **PictureMate 100**

Real photos – really easy
Produce impressive photos taken on your digital camera or compatible camera phone* anytime, anywhere and with ease. You don't even need a computer. Simply print in 3 easy steps: insert your memory card, view and select your photos on the built-in, bright colour LCD screen and press print.

Real, high quality and glossy photos
With the Epson PictureMate 100 photos look and feel just like traditional lab-style photos. You can produce stunning, detailed 10 x 15cm glossy, borderless photos in vibrant colours. You can even add additional effects, like changing a photo from colour to black and white or to sepia tones. Photos from an Epson PictureMate 100 are more than a match for any high street photo lab.

Real photos – anytime, anywhere
You are always ready to process the best shots with the Epson PictureMate 100. Take photos and instantly share them with friends and family anywhere you like – at home, at family parties or special occasions. It's small and stylish with a carrying handle and optional rechargeable battery.
